

EROS Library 101

*An understanding of what kinds of information are
at your fingertips and how to get to it*

Presented by Librarian Carol Deering

THE KNOWLEDGE DROP

Wednesday, February 26 12PM

EROS AUDITORIUM

High-level view of some of our key EROS Library resources including:

- Electronic journals and books and proxy access.
- Library catalogs and accessing books in the EROS and other collections.
- Literature indexes and their capabilities.
- Altmetric, a tool that tracks online attention to published research.
- Overton, a tool that tracks citations in policy related publications.
